Dear Ms. Browner:

RE: Notification of Election to Meet Requirements for LAER Extension Track

In accordance with 40 CFR Part 63 Subpart L—National Emission Standards for Coke Oven Batteries, U. S. Steel, Clairton Works elects to meet the emission limitations for 40 CFR Part 63.304(b) (2) through (4) and 63.304(c), also known as the LAER Extension Track, for Coke Oven Batteries 1, 2, 3, 7, 8, 9, 13, 14, 15, 19, 20, and B.

Sincerely,

T. W. Goettge
General Manager
